

M.R.F. Supervisor's Monthly Report March 9th, 2012

The jobs completed by Carey and I for the month of February include:

Accepting incoming garbage
Sorting recyclables
Crushing glass
Baling recyclables
Working on the scrap metal pile
Cleaning the exchange
Working on the demo area
Processing Haz-Mat
Sorting old paint
Working on the electronics
Servicing the equipment
Plowing snow
Cleaning the shops
Moving piles of snow
Answering numerous phone calls
Plus our daily chores

Additional info:

1. I have enrolled Carey and I in a Hazardous Material Management & Disposal Awareness Training Class. We will going to Menomonie in April. We will have to spend two nights in a motel. I have already made arrangements.
2. I backed into something while plowing snow. The left tail light lens was cracked. I ordered one from Bill's collision the total cost for the lens and to install it was \$80. No need to deal with insurance.

Respectfully Submitted,

Ted Pallas Supervisor M.R.F.
